Rainmakers Speech & Debate Club
Portland, Oregon

Come and see a demonstration debate. Debate offers both an academic challenge and an opportunity to sharpen valuable life-skills. Students learn through logic and rhetoric training, political science and economic study, and they gain knowledge of government and international affairs. They also improve their public speaking and presentation, note-taking and organization, as well as research and writing skills. Students encourage each other toward excellence as they participate in friendly Christ-centered competition.

Also see examples of a wide variety of speech events, including Illustrated Oratory, Biographical, Informative and Persuasive. In addition, interpretive speeches allow the speaker to act out a piece of literature. Limited Preparation events include Apologetics, Extemporaneous, and Impromptu.

The evening will give you an opportunity to observe the effectiveness of Christian, home school speech and debate, and it will also be a fun time of fellowship. Your attendance will not obligate you in any way, so don't miss this important event!

I will be available to answer any questions, and I hope to see you there!

Rainmakers affiliates with the National Christian Forensics and Communications Association (NCFCA) for competition. The NCFCA believes that formal speech and debate can provide a means for home schooled students to learn and exercise analytical and oratorical skills, addressing life issues from a Biblical worldview in a manner that glorifies God. Competition is offered to home schooled students, ages 13 to 18. For more information, visit their website at www.ncfca.org.
