The NCFCA competitive season officially starts in January, but the “real season” begins much earlier, with Debate Camp in August!

Our coaches are eager to share with you the secrets that made them successful over their speech and debate careers. They will train you for NCFCA competition, using the 2017-2018 debate resolutions.

At the 2017 Northwest Debate Camp, you will hone old skills and friendships, and develop new ones.

Join us for a week of education and fun!
